## VIDEO: 'Complex' Magazine Beats Up Justin Bieber

BY OUT.COM EDITORS

Beliebers beware. The singer gets the pummeled for his latest cover shoot.

Justin Bieber may seem to always create a riot of screaming girls whenever he goes, but the shreds may hit an all time high after fans of the Bieb see the lashing he takes for *Complex* Magazine. The singer steps into the ring with a few beefy boys and he doesn't make it out without a few punches straight to his nubile mug. If you're a sadist, you may want to savor your gaze, but find out as JB eventually makes a sudden comeback and dominates the ring. Check out the video below.
